30minute-Seder™ Licensing Agreement

Thank you for purchasing a download product from 30minute-Seder™. Your license entitles you to make unlimited copies as long as it is for your own personal use.

You may print these out on your computer's printer or you may take the file or a printout to a local copy shop to make copies.

Your license does not entitle you to make extra copies for friends, school use (unless you are the instructor and are using it in your classroom), or other commercial usage. You may not give away or sell copies to anyone unless they are attending a Seder you are making. The only exception is for classroom use as outlined above. Changing the layout, text, or graphics in any way is strictly prohibited.
